### FIRM PROFILE

WKMC Architects delivers state-of-the-art architectural services and client success stories. The firm continues to reflect the values of integrity and dedication to excellence in service that originate from its South Texas roots. Clients recognize the exceptional value of WKMC's services with lasting relationships.

As the architectural profession expands and diversifies, WKMC continues to evolve and innovate in the areas of design, building performance and practice management. Its team of seasoned professionals excels in a number of areas of expertise. WKMC's client-driven approach and comprehensive services are offered in the following specialties:

- \* Interior Design
- \* Educational (K-12 through college)
- \* Financial and Banking Institutions
- \* Retail (specialty and large-scale projects)
- \* Civic
- \* Mixed Use
- \* Residential (including single and multi-family housing)
- \* Program Management
- \* Design-Build

WKMC is a national architectural practice with offices located in Corpus Christi, Dallas and Austin, Texas. WKMC Architects, Inc. was formed in 1994 through the merger of McCord & Lorenz Architects (established 1953) and Wilson Kullman Architects (established 1988). Continuity in leadership and management best practices are hallmarks of WKMC. Our mission is to go beyond the compelling buildings we design and affect the way our clients work, live and play.
